DODGE, INC.

World's Largest Trophy Manufacturers

TROPHIES • CUPS • PLAQUES • MEDALS • JEWELRY • GIFTS

TROPHIES.... Traditionally, Dodge, Inc. leads all others in the development of a wide range of quality awards at reasonable prices, therefore we are proud to present this year's catalog with many new and outstanding Trophies, Cups, Plaques, Gifts, Silverware, Medals, Charms and Jewelry.

FIGURES..... Dodge sports figures are sculptured by outstanding artists and approved by leading sports authorities. We offer you a choice of over **600 interchangeable sports figures** representing every conceivable sport, activity or event.

You will find that as well as adding many new figures to our list, we have recently resculptured and remodeled many of our popular sports figures, adding greater height, action and detail.

FINISH..... SUN-RAY continues to predominate in popularity of finish. It contains, of course, no actual gold, but in appearance resembles bright 24 Karat Gold. All SUN-RAY figures are given a coating of Jeweler's Lacquer to further enhance their value and beauty. This makes a more enduring finish and assures the buyer of a superior product.

MEDALS..... We are pleased to announce many new medals never before illustrated. Take particular note of pages 42 to 49. You will also find a selection of new sports panels adaptable to a majority of these medals.

DISTRIBUTION.. Dodge, Inc. deals only with bona-fide dealers. In the event this catalog falls in the hands of persons other than established trophy outlets, do not order directly from Dodge, Inc. but place your order with your nearest dealer.

NOTICE..... All prices subject to change without notice. All prices are subject to the addition of any sales or excise tax which may be assessed upon or with respect to these prices by the Federal Government or any state or political subdivision thereof.

All jewelry shown on pages 40 to 57 are shipped F.O.B. Chicago.

IMPORTANT

General information regarding interchangeable figures and trophies will be found on pages 36, 37 and 38.

Please read carefully to avoid delay in filling your order.

IMPORTANT OLYMPIC FIGURE INFORMATION

Heights quoted on figure trophies are based on the average height of figures. **OLYMPIC** figures average 8" in height; individually, they vary from 6" to 12". There is a basic cost of figures which is included in the price of the complete trophy.

When an **OLYMPIC** (No. 1) figure is purchased separately, the price is **$6.50**.

Certain figures, because of extra parts or combination construction necessitate higher prices. When an extra priced figure is used on a trophy, the additional cost of the figure must be added to the listed price of the trophy, or, if purchased separately, that amount must be added to the listed price of the figure.

EXAMPLE:

AIRPLANE, JET **75c**

This figure costs **75c extra**. Therefore, when purchased on a trophy, the price of the trophy will increase by 75c. When purchased separately, the total cost of the figure will be $7.25 ($6.50 basic figure cost plus 75c extra price.)

IMPORTANT CONFERENCE FIGURE INFORMATION

Heights quoted on figure trophies are based on the average height of figures. **CONFERENCE** figures average 6" in height; individually, they vary from 4" to 8". There is a basic cost of figures which is included in the price of the complete trophy. When a **CONFERENCE** (No. 3) figure is purchased separately, the price is **$3.25**.

Certain figures, because of extra parts or combination construction necessitate higher prices. When an extra priced figure is used on a trophy, the additional cost of the figure must be added to the listed price of the trophy, or, if purchased separately, that amount must be added to the listed price of the figure.

EXAMPLE:

AIRPLANE, JET.....75c

This figure costs **75c extra**. Therefore, when purchased on a trophy the price of the trophy will increase by 75c. When purchased separately, the total cost of the figure will be $4.00 ($3.25 basic figure cost plus 75c extra price.)

GENERAL MEDAL INFORMATION

All medals are of extra heavy thickness, and are made of a very fine quality of material, irrespective of the finish.

When a raised lettering die is made for Series P, S, R, A, B and T medals the sport or event appearing on the original metal cannot be changed. For example, when a Series P die is cut showing a baseball batter figure, and the lettering "Athletic Association" is cut into the die, this medal can be furnished only for baseball, and for no other event.

Any medal or ball shown in this catalogue may be purchased with a raised letter die. The charge for this die is based on our actual cost and is a one time charge. As long as the lettering is uniform, any number of medals, may be furnished with the raised letter die. Each die, however, may be used for only one series of medals. For example, the raised letter die for Series P medal cannot be used for the Series T medal. Raised letter dies can be furnished for either the back or front of the medal, or for both. Write for prices.

Medals are furnished with ring tops unless otherwise specified. Where a buttonback or plain pinback is desired, add 20c to the listed price of the medal. Where a safety pinback is desired, add 30c to the price of the medal.

For 10K pinback or buttonback add $1.00 to the price listed.

Large single raised enamel letters $.65 each.

Large single inlaid enamel letters $.40 each.

Inlaid enamel letters—a minimum of six letters on each item $.20 each.

STAMPED LETTERING ON BACKS OF MEDALS — NO CHARGE

All medals can be stamped with any three lines of lettering as listed below, free of charge. For each additional line, **add 7c to price of medal.** A line of stamping consists of individual listings as shown below. For example, the event **80 meter crawl 1953** comprises three lines of stamping. Write for prices on back stamp dies for those events, etc. not listed.

Where a panel of a medal distinctly represents the event, it is not necessary to stamp the event on the back. Write for prices on special raised letter dies for front and back of medals.
